Summary

Final-year Computer Science Engineering student passionate about Data Analytics, skilled in Excel, SQL, Power BI, and Python. Strong analytical and problem-solving skills with hands-on internship experience in data analysis.

Technical skills

- Programming:** Python, SQL
- Data Analysis:** Microsoft Excel
- Database:** MySQL
- Visualization:** Powerbi
- Web Technology:** Html,Css,Javascript
- DesignTool:** Canva,Figma

Projects

Used Bike Sales Analysis Dashboard | Microsoft Excel (Data Cleaning, Pivot Tables, Pivot Charts, Slicers)

- Analyzed used bike sales data to identify trends across brands, cities, owner types, and price categories.
- Built an interactive Excel dashboard using Pivot Tables, Pivot Charts, Slicers, and calculated fields for effective data visualization.

UPI Payment Apps Review Analysis | MySQL (MySQL, Microsoft Excel, Data Cleaning)

- Analyzed Google Pay, PhonePe, and Paytm reviews to identify customer ratings, review trends, and user engagement patterns.
- Utilized SQL queries including JOINS, GROUP BY, HAVING, Aggregate Functions, Subqueries, Window Functions, and Views to generate business insights.

Netflix Content Analysis Dashboard | Power BI (Power Query, DAX, Data Modeling, Interactive Dashboards)

- Analyzed 8,800+ Netflix titles to identify trends in content type, genres, countries, ratings, and release years.
- Developed an interactive Power BI dashboard using Power Query, DAX measures, KPI cards, and slicers to support data-driven analysis.

Education

Bachelor of Engineering

SSM College of Engineering
Major in Computer Science Engineering | CGPA: 7.8

Sept 2023 – Present

School Education

Government Higher Secondary School
Percentage: 64%

Jun 2016 – March 2022

Internships

Data Analyst Intern | Inzovate Technology

- Recently gained hands-on experience in Microsoft Excel, SQL, Power BI, Data Cleaning, Data Visualization, and Business Data Analysis through real-world projects.

Full Stack Development Intern | WSPL Hosting Solution (OPC) Private Limited

- Gained practical experience in front-end development, teamwork, problem-solving, and software development practices through hands-on training and real-world tasks.

Certificates

- Oracle Cloud Infrastructure 2025 Certified Foundations Associate
- IP-to-IPO Innovation Competition | Anna University
